

# French Accents on the Keyboard

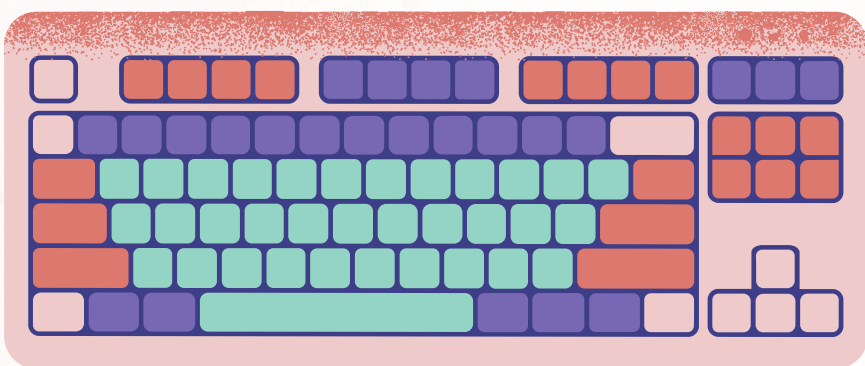

## How to Switch to AZERTY Keyboard on Windows:

1. **Open Settings:** Press Windows Key + I, then go to Time & Language > Language.
2. **Add French Language:** If not already listed, click **Add a language**, search for **French**, and install it.
3. **Select AZERTY Keyboard:** Under French > Options, add French (AZERTY) under Keyboards.
4. **Switch Layout:** Press Windows Key + Spacebar or select French (AZERTY) from the taskbar.
5. **Set as Default (Optional):** Move French to the top under Preferred Languages.

Test your new layout in a text editor!

## Accents on AZERTY Keyboard:

1. **é (e aigu):** Press **2**.
2. **è (e grave):** Press **7**.
