Frequently Asked Questions (FAQs):

1. What are A1, A2, B1, B2 levels?

→ These levels represent stages of language proficiency as defined by the CEFR (Common European Framework of Reference for Languages):

- **A1-A2: Beginner to Elementary**
- **B1-B2: Intermediate to Upper Intermediate**

→ **Not sure of your level? Take a level assessment test with us for just ₹1000.**

2. Why can't I skip levels?

→ Skipping levels can create gaps in foundational knowledge, making advanced topics difficult to grasp. Mastering each level ensures steady progress and builds confidence.

3. Why are there no group classes?

- Group classes often lack:
- Personalized attention

- Progress tracking
- Student motivation

→ With private classes, you'll enjoy all these benefits. For a more economical option, try our 2-1 sessions.

4. What happens if my partner in 2-1 classes is unavailable?

→ If your partner informs us 24 hours in advance, the class will be rescheduled. Otherwise, the class will proceed, and a recording will be shared with the absent partner.

5. Why choose private sessions?

- Tailored learning plans.
- Faster progress.
- Flexible timings.
- Dedicated teacher attention.

6. How do I find a study partner for 2-1 classes?

→ If you don't have a partner, we'll match you with someone based on your level and availability (waiting period: 2-3 weeks).

7: What will be the course duration and timings of the classes?

→ As these are private classes, the timings will depend on the mutual availability of both the student and the teacher. Once finalized, the timings can only be changed based on the teacher's availability. The course duration will vary depending on the number of hours the student opts for per week.
